v.

Disney Enterprises, Inc.

Motion to Suspend for Settlement Discussions With Consent

Disney Enterprises, Inc., is actively engaged in the resolution of this matter and therefore respectfully request that the proceeding be suspended for another 90 days so that efforts to implement the terms of the Agreement can continue.

The parties are aware that in order to further extend the proceedings, they are required to demonstrate good cause to the Board regarding the progress of settlement efforts. The recitation of issues are as follow:

- 1) Issues resolved: Settlement Agreement reached and executed between the parties.
- 2) Issues to be resolved: Per the Agreement, Disney Enterprises, Inc., will file amendments to all Standard Character pending applications and registrations in each respective trademark office outside the United States. The mechanics of implementing the amendments are held-up due to the slow response time of the foreign jurisdictions.

Finally, the date for the resolution of the above issues is estimated to be July 03, 2014 or 90 days from the current deadline of April 04, 2014.

Certificate of Service

As agreed upon by the two parties, a copy of this paper and filing thereof has been served upon all parties, at their address record by email on this date.
